# GET AFTER CONRAD

Commissioners to Enforce

Street-cleaning Contract.

Bondsmen Will Be Held Accountable elared to Be Insufficient.

of Columbia as the Commission from time to time designate." Mr. Conrad is bonded for the perform-

nce of this work in the sum of \$92,000. More Money Provided.

By an increased appropriation from thousand yards for street cleaning, alhough only 15.13 cents was previously paid for this class of work.

The equipment of the contractor consists of twenty-six machines, six sprinklers, thirty-eight cars, two wagons, and fifty men. Each machine is expected to cover about 69,000 square vards a night. and, according to the schedule, an average of 1,500,000 square yards should be

More than a month ago Superintenden Twohey, of the street-cleaning department, submitted to Commissioner West a number of the streets were not swept, owing to the fact, it was said, that the ntractor did not provide a sufficient ree to do the work. Upon receipt of this

Congress had given an increased appropriation, in addition to which the price aid was much larger than the figures of the old contract so it was to the advantage of the contractor to do as much work as possible, as the District would rather pay the money for cleaning the rather pay the money for cleaning the drops in the temperature follow the Missisppi north, and did not go south besisppi north, and did not go south besisppi north, and did not go south besisppi north.

Mr. Conrad replied that the increase in ies to the utmost, but promised to in- to bed last night there was a comme

ion, Superintendent Twohey prepared a change which will cause half the city to atement for the cons ommissioners, and upon this stateme fying the surety company that it would be held responsible in the event that the contractor failed to fully comply with Shiloh Pulpit. the terms of his contract.
